

ALLISON EGBA FERNADO

Ebute,Ikorodu, Nigeria.100242|+2348099039128 allysonegbafernado@gmail.com

An aspiring software developer with basic knowledge in software engineering which includes HTML, CSS, Javascript and Typescript. This knowledge has been applied practically in tasks during my internship. Also possess basic IT and security skills which strengthen my troubleshooting, technical know-how and problem-solving prowess. Would love to join an exciting team to foster my knowledge in this field and contribute my quota to the development of the team and organization at large with these skills.

PROFESSIONAL EXPERIENCE

SAIL TECH-TALENT, Ikorodu, Lagos State .

Software Engineer intern, November 2023 till date.

- Learning and building software applications, using tools such as visual studio code, Git-hub and languages such as html, Css , Javascript and typescript.
- Projects worked on: functioning calculator (calculator), countdown timer(timer)
